

Make Victor (or Viola), the Valentine Snake!

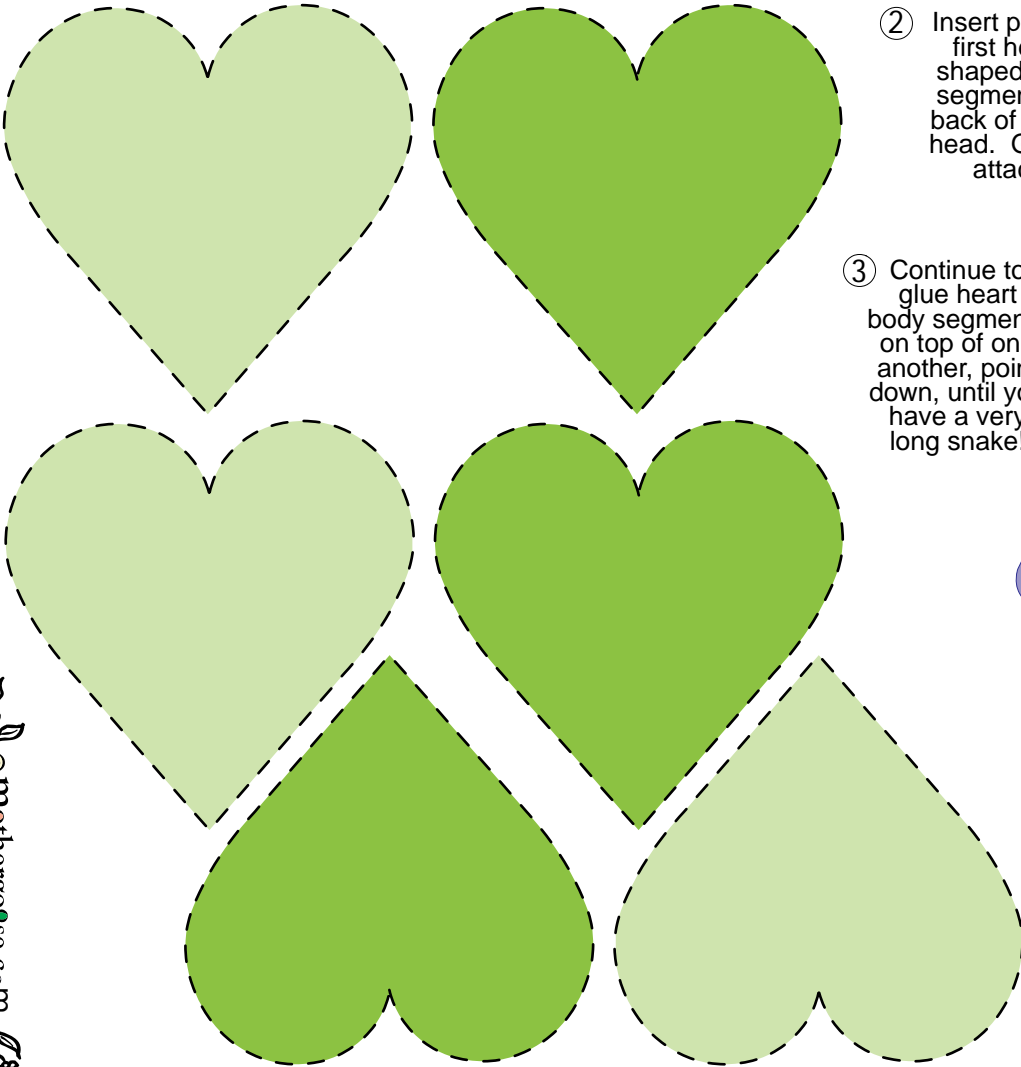

top of head

bottom of head

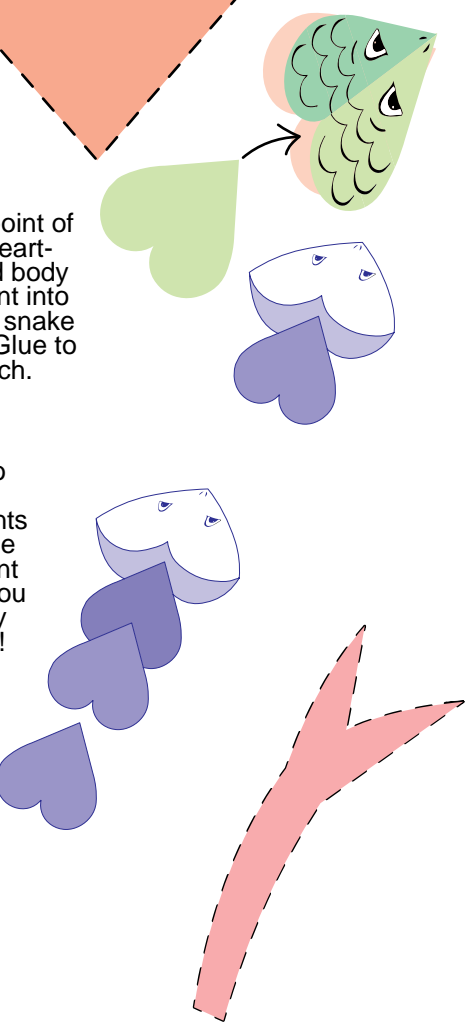

Turn Victor into Viola with these big eyelash eyes!

① Fold a crease down the center of the snake's face to give him dimension

② Insert point of first heart-shaped body segment into back of snake head. Glue to attach.

③ Continue to glue heart body segments on top of one another, point down, until you have a very long snake!

④ Insert base of tongue into snake's head and glue along the bottom.

Turn Victor into
Viola with these
pretty bows!
